In Memoriam: Lauren Dill

The Junior Classical League and the community of teachers of Latin, Greek, and the study of the ancient Mediterranean lost one of our shining lights on November 10, 2021. Lauren Dill, Latin teacher at St. Andrew's Episcopal School in Austin, was a dynamic and dedicated supporter of Latin and the JCL. While a JCLer at St. Andrew's, where she attended first through eighth grade, she faithfully served her local club and was on Texas' NJCL champion Advanced Certamen team in 2004.

Lauren attended Rhodes College where she majored in Greek and Roman Studies, as well as participating in the Rhodes Singers and Alpha Omicron Pi sorority. After graduation, she returned to Austin to teach at her alma mater, first in the middle school and then in the upper school. She was an amazing teacher, coach, JCL sponsor, and advisor. She served TSJCL as a State Chair for the last 6 years and was the recipient of an 2020 NJCL Silver Bowl for attending twenty national conventions. She led numerous student trips to Italy where she shared her passion for all things Roman and Italian with her students.

Most of all, Lauren will be remembered as someone full of life and light - sharing her passion for the ancient Mediterranean, art & archaeology, and travel with her students and friends. She inspired so many students and colleagues in her too-short time with us, and we know her legacy of kindness, compassion, and humor will live on in those whose lives she has touched.

The TSJCL is exploring various ways to honor Ms. Dill's memory in the future.

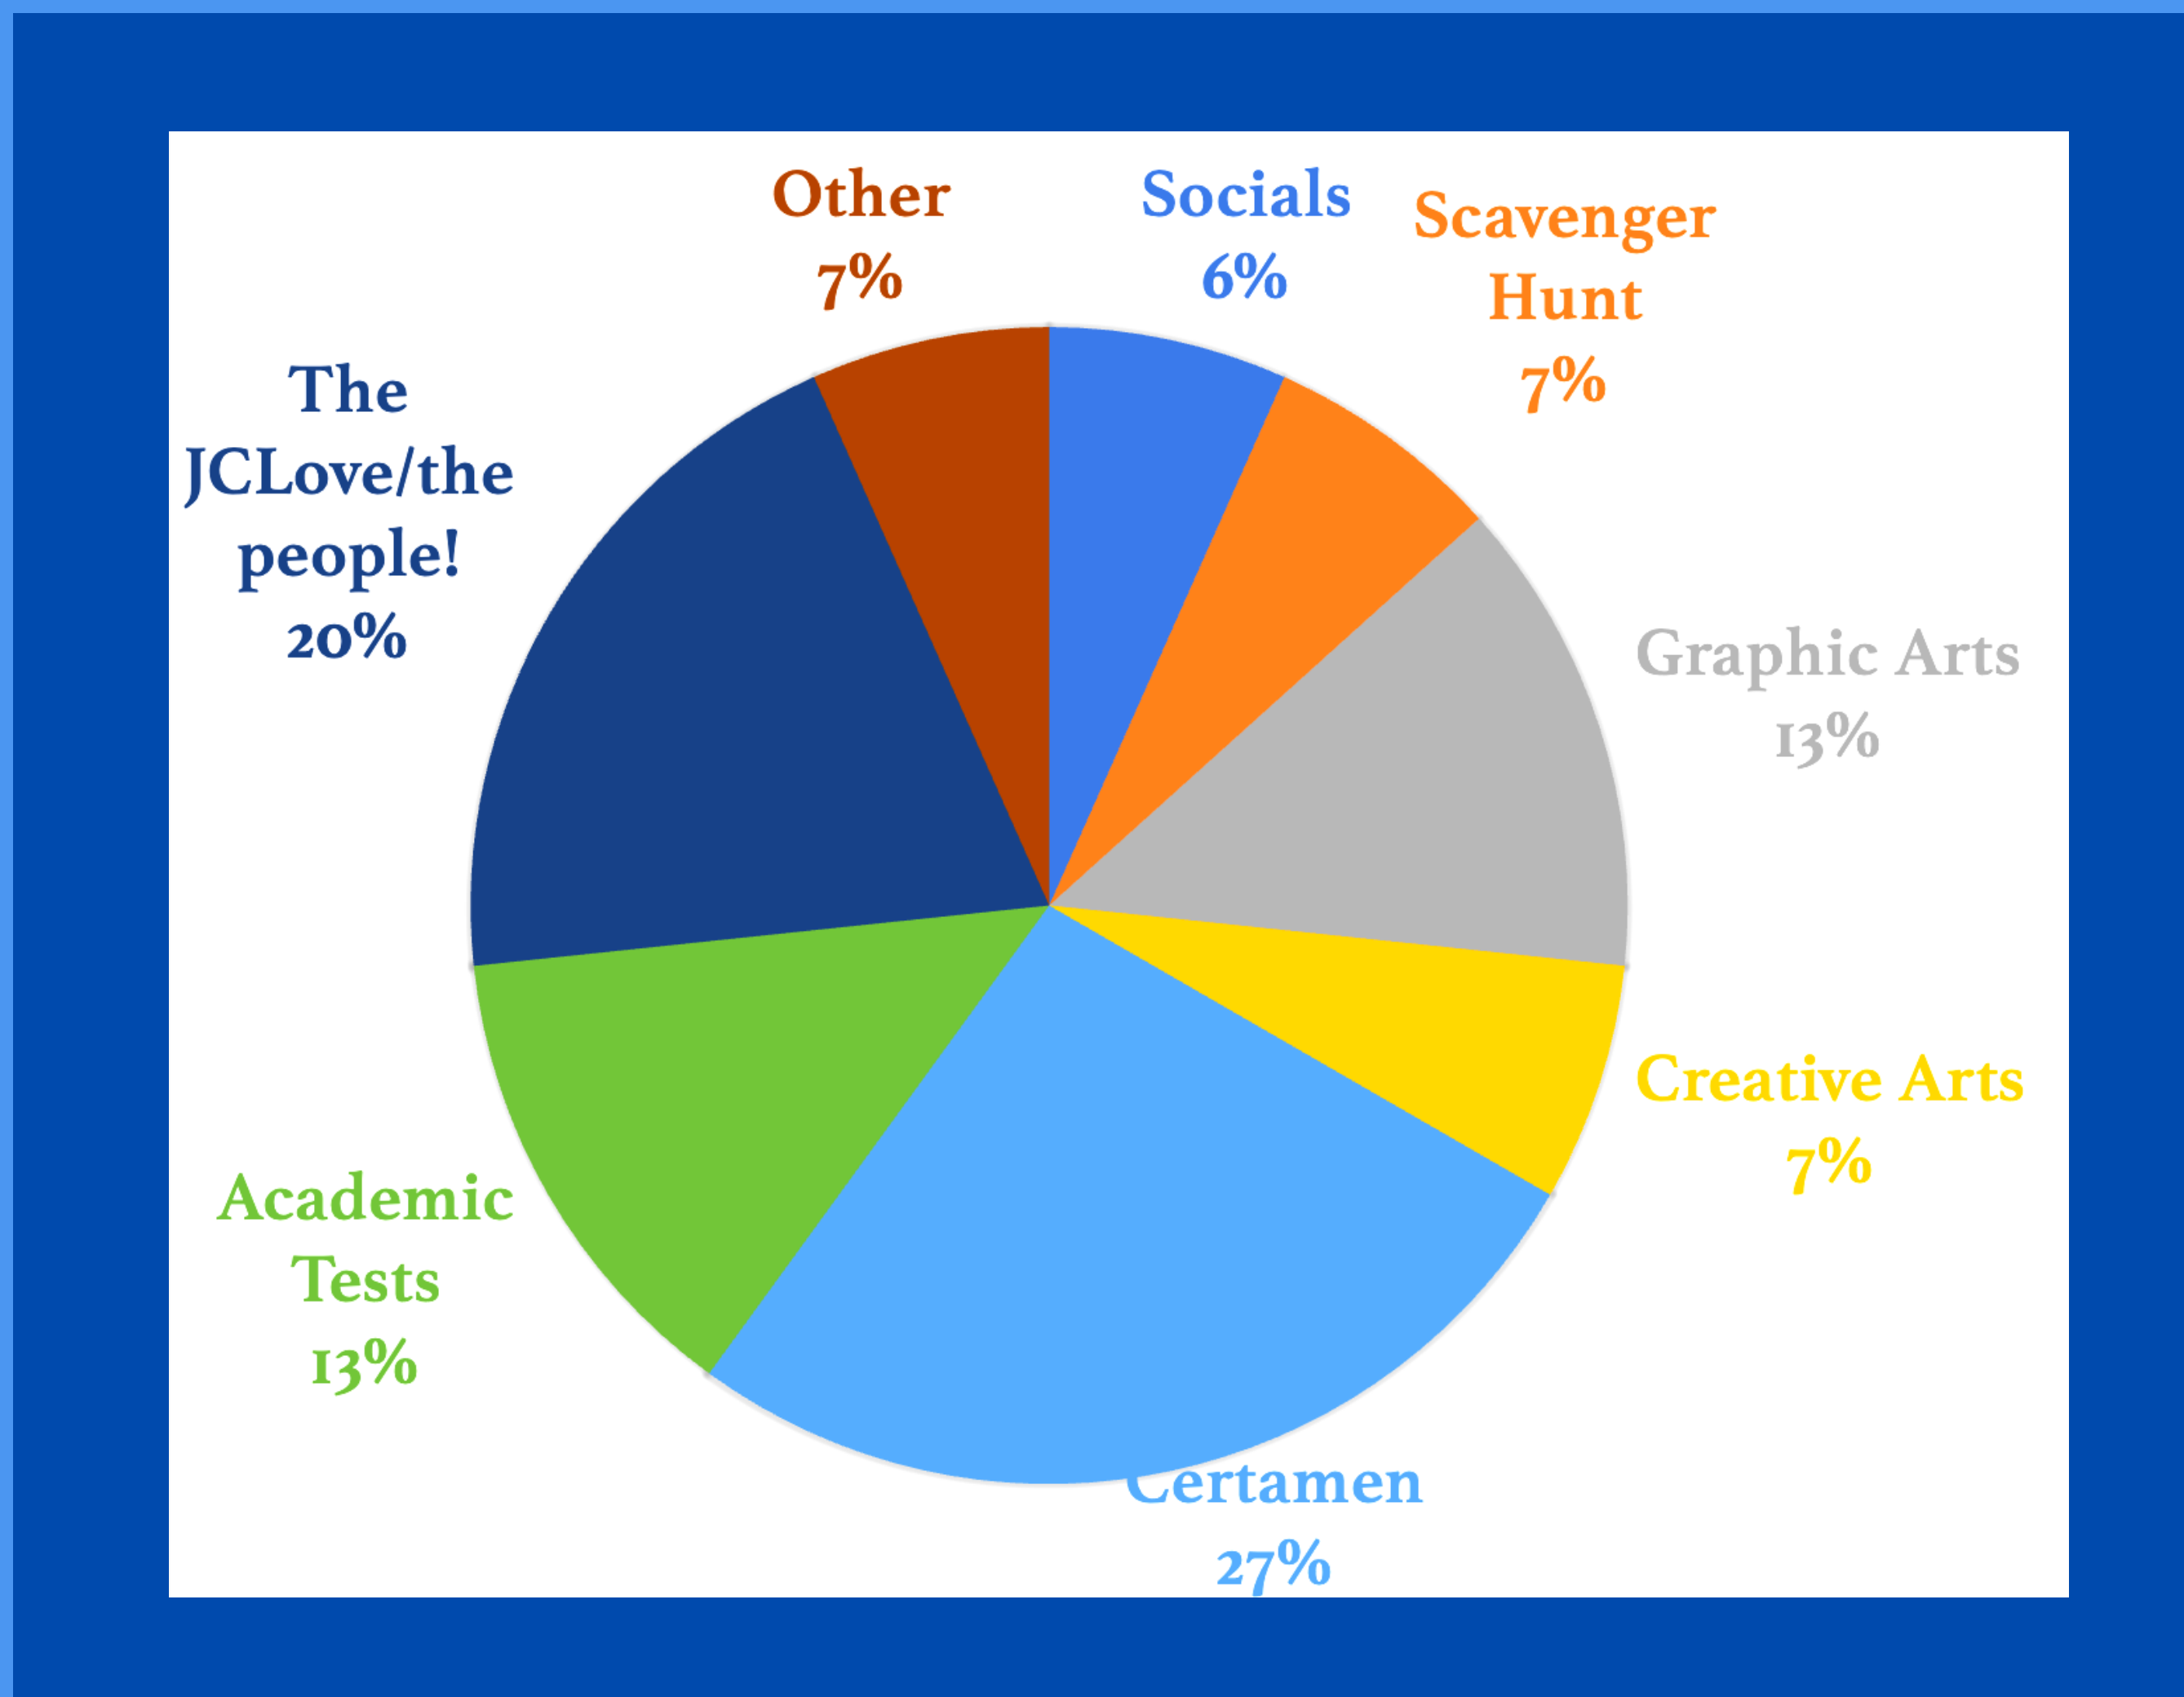

Atque in perpetuum, amica, avē atque valē. Requiescas in pace.

Goals For This Year

I really hope that we get to have our first in-person convention in three years. Other than that, I just hope to continue the good work that the previous boards have been doing these past few years.

Advice For TSJCLers

Try out everything you think you may like at least once. From Certamen to the Vocal Contests to Olympika you'll definitely find something you really enjoy.

Favorite Figure, Mythological Or Historical

Galla Placidia. She is a crucial figure in late Roman History who held a lot of power. She basically controlled the empire for her son, and she's really interesting to learn about.

What Hobbies Do You Have?

I love to sing, read, and listen to the History of Rome podcast.

Advice For TSJCLers

Take care of yourself at conventions, whether it be eating, cleaning, de-stressing. I know that the pressure of succeeding in competitions can become daunting to overcome, so it's greatly important to check up on yourself throughout convention, lest you overwork yourself and burn out.

Favorite Figure, Mythological Or Historical

I've always loved Athena. When I was little, I loved her because she was the goddess of Wisdom, and intelligence/wisdom was always a core value of mine. When I started learning more about her mythology, I love how she is such a complex character with multiple facets (just like most mythological figures) and I love what she stands for.

JCL Means...

"During these past few years, JCL has probably been one of the biggest parts of my life, since I talk to friends I've made there daily and study (almost) daily too." - **Maddie**

"JCL IS MY 2ND FAMILY AND I'M ABSOLUTELY GONNA MISS IT SINCE I GRADUATED HIGH SCHOOL." - **CAMBRIA**

"JCL means a community of likeminded people who support each other in their successes as well as their failures. It means finding people who are willing to discuss fan theories about the Iliad, make 'which Greek god/goddess' are you quizzes with you, or just hang out and talk. But most of all, JCL means found family. People you can relate to and instantly want to know more about. It means making new friends and getting closer to those you already knew. JCL means finding somewhere you belong."

- **Lydia**

"A GROUP OF ACADEMICALLY EXCELLENT PEOPLE GATHERED TOGETHER TO COMPETE AGAINST EACH OTHER." - **CHLOE**

"The collective drive to grow and learn." - **Marco**

"It's a great community of people where you can do anything your heart desires <3" - **Emma**

"JCL to me means taking our ancient classical roots and putting them into the modern world using student leadership. I am always amazed by how dedicated all the students are and how motivated they are to reach out to other Latin students and help the JCL. It also means friendship to me because I have made so many amazing friends and learned about schools very different than mine through JCL." - **Heidi**

"JCL is a family. A family where we bond over classics and create irreplaceable memories while meeting some of the most amazing people on earth. It's a place where anyone can be themselves in the most welcoming community and have loads of fun" - Kathy
